

## **ePay Online Payment System Quick Reference Guide**

The Online Payment System is an approved alternative to the use of Cashier's Checks and Money Orders by using your Checking or Savings Account to make direct payments to the Trustee. This is an instant payment system, in conjunction with our bank, to provide a verifiable, trustworthy, and more convenient payment option.

In order to use this payment system, you must have an **internet connection**, know your **Case Number** and **last four digits of your Social Security number**, a **Checking or Savings Account**, and a **valid current e-mail address**.

### **Benefits of the Online Payment System:**

- The ability to make payments from any location at any time of day, as long as you have internet access.
- Save time and money by not having to purchase and mail a Cashier's Check or Money Order.
- Payments made before 4:00 p.m. Central will be credited to your bankruptcy case the next business day.

### **Registration:**

Start by going to the Trustee website at <http://www.ch13stl.com/epay/>

Click on the **Register Now** button. This will direct you to the **ePay Online Payment Center** so you may begin the registration process.

Please fill out the registration page and click **Next** when done. The next page will ask you for your **Online Payment ID**. This ID number consists of your seven-digit case number (without dashes) and the last four digits of your Social Security number.

**Example:** Case # 11-77777 and SS# XXX-XX-1234

Then the **Online Payment ID** is: 11777771234 (This is an example. It is **NOT** your Online Payment ID)

After inputting your Online Payment ID twice, click **Next**. The next page will provide you one last opportunity to verify your information before submitting. Click **Submit Registration** if your information is correct.

### **Making a Payment:**

Log in and begin by choosing the amount to pay. You will have the choice of making your Current Monthly Payment or an Other amount. Next, key in your Checking or Savings Account information and select what type of account it is. If you are unsure of your Checking or Savings Routing and Account numbers, please click on the image button to the right of the Routing number field to see an example. Routing numbers are always 9 digits long and to the left of your account number (Note: DO NOT use a Deposit slip to obtain your Routing

number. The deposit slip Routing number is typically different from the Routing number associated with the Checking account). Click **Submit Payment** once your payment information has been input. Please note that there is a \$2.00 convenience fee to use this payment system. This fee covers the cost to our bank for providing this service. The Trustee does not receive this money.

It is very important that before you start this payment process you verify your bank account has enough funds to cover the transaction. If you submit a payment without having enough funds in your bank account to cover the transaction, the result will most likely be a Non-Sufficient Funds transaction. If this occurs, your bank account will be overdrawn and you may suffer consequences from your bank. In addition, if your payment is returned for Non-Sufficient Funds, or any other reason, your account will be locked immediately and you will not have the option of using the Online Payment System for the duration of your Bankruptcy Case. You will then be required to make your monthly plan payment by using Cashier's Checks or Money Orders. **THERE ARE NO EXCEPTIONS TO THIS RULE.**
